

Bike Plan Implementation Open House

The City will be holding an open house for the **Bike Plan Implementation Project**.

WHEN: October 18, 2016 5:00pm-6:45pm

WHERE: Shoreline City Hall
Room 301 (Elevator to 3rd floor)
17500 Midvale Ave N
Shoreline, WA 98133

In 2008, the City of Shoreline completed the Interurban Trail that runs north and south through the City. While this provides a valuable connection for users traveling north/south through Shoreline, it is missing connections to local neighborhoods, parks, city amenities and schools. The Bike Plan Implementation project will complete the majority of the City of Shoreline's adopted Bicycle System Plan and Wayfinding Program. The Bicycle Master Plan contained within the 2011 Shoreline Transportation Master Plan includes these routes. **See map for route alignments.**

The Bike Plan Implementation Project will include work in all regions of the City. This work includes:

- Bike Lanes on:
 - Dayton Ave N between Westminster Wy N and Carlyle Hall Rd N.
 - 25th Ave NE between NE 150th Ave NE and NE 168th St.
 - 1st Ave NE between 185th St and N 193rd St
